ACTIVITIES

Mrs. Claxton
Activities Director

ASSOCIATED STUDENT BODY MEMBERSHIP

All students are members of the student body, but to be an active member of the Associated Student Body (ASB), a student must purchase an ASB sticker. By becoming an active ASB member, a student will save money through reduced rates for activities such as football, volleyball, and basketball games and school dances. The money raised through the sales of ASB stickers supports many of the activities and events that take place on campus. An ASB card is required to bring an off-campus guest to any dance.

ASB STICKER

An ASB sticker is your passport to the world of student activities. It provides discounted admission to every dance and free admittance to all athletic contests (except CIF Playoffs).

STUDENT GOVERNMENT

The ASB Executive Officers are selected in January of each year. Each job requires hard work and dedication throughout the school year. Responsible, mature, and spirited individuals who are also good students and role models are wanted for ASB. Those selected for ASB are required to enroll in the student leadership class.

The student leadership class affords practical daily experiences in democratic leadership by planning and managing student activities. It provides opportunities to study the meaning and applications of state laws, ASB finances, human behavior, and group processes. Student leadership provides for self-evaluation of the individual, group, and student activities. ASB requires a great deal of time and effort. You will be called upon to give up some time on weekends, after school, and at night to participate in ASB-sponsored activities and events. School spirit, dedication, and a desire to help your fellow students are a must.

The student will be required to sign a "Code of Conduct" to be able to participate in any sport or student government.

Each year, class officers are elected to represent their graduating class. Officers learn and employ leadership skills in organizing class activities and school events. Elected positions include President, Vice President, Secretary, and Treasurer.
